A CATALOGUE OF THE BARONETS OF THIS KINGDOM OF ENGLAND;

From the first erection of that Dignity until this time.

WHereas it is Probable that several Persons, who in the late unhappy times of War and trouble had Patents for

Baronets, *and have not yet enrolled the ſame, whereby their precedency and right to that Dignity is ſomewhat doubtfull and queſtionable: ſuch are hereby adverti ſed ſpeedily to enroll their ſaid Patents for their future Honour and advantage, ſo that in the next Impreſsion hereof their Names may be Inſerted.*

And if there be any that do aſſume the Title and Degree of Baronet, *who are not really ſo; ſuch are hereby to take notice, that they do not only derogate from his Majeſties Royall Power, who by His ſole Authority conferreth that Degree*

gree and Title, but are highly puniſhable for ſo doing.

There is likewiſe an intention ſhortly to make publique a Catalogue of ſuch Knights as have been made by King *Charles* the firſt, and our preſent Sovereign King *Charles* the ſecond; but as yet reſpited, to the end that thoſe who are Really Honoured with that Dignity, and have not taken care to enter the certain time thereof in the Office of Arms (where the Regiſter thereof is kept, in Order to the preſervation of their Right in point of Precedencie) may ſpeedily do it.
